

Dear John W. North High School Staff,

A year has passed quickly. We will soon begin the 2nd annual teacher, staff, and administrator table tennis tournament. Last year we had more than ten faculty members participate in the tournament. This year, we'd like to invite all of you to join us. This tournament is not only for you to exercise and be healthier, but also to be more acquainted with other North staff members and students and to alleviate stress that may be induced with your busy job.

Yes! More importantly, this may be your last chance to beat your boss, Mr. Kinnear. It doesn't take much skill to win against your boss because as an anonymous North faculty quoted, "even I beat him." Last year, Mr. Kinnear kept complaining that the table was too short and faculties were pulling tricks on him. He promised that the following year he would "go again" for his revenge. If you want your boss to be beaten, this will be, without a doubt, your best opportunity to do so.

Once again, this tournament does not take much skill to join; it is created for all North administrators, faculties, and staffs to participate. I believe that our table tennis club members will be happy to teach and offer you help. Moreover, without the support of our teachers, staff, and faculty, the North Table Tennis Troupe wouldn't have blossomed into the great club it is today. If you are not able to come to the tournament, we will appreciate any donation to NTT (please see the message on the back).

I cordially invite you to participate in this upcoming tournament. It is easy to join. Just fill out the blue application and turn it in to Mr. Najera's mail box or contact us at jwnorthtabletennis@gmail.com, and we will collect it from you. It will be our pleasure to have you come. We are looking forward to seeing you soon!!!

Sincerely,

Andre Datyelian, Tournament Director
